Insurance Information

Rust College’s property insurance coverage is not designed to cover the personal effects of students (i.e. stereo and computer equipment, clothes, and other personal items). It is important that each student understands that the purchase of property insurance for their items is their responsibility, not the college. Each student should be aware that the college will not pay to replace their personal belongings in the event of fire, theft, etc. They should consult with their parents regarding the availability of coverage under their parent’s homeowner’s or tenant’s policy. If the parents have no coverage, but coverage is desired, the student should purchase coverage for personal belongings at his/her own expense. Please see enclosed brochure. You may also call 1-800-256-6774 for information on personal property insurance. This is highly recommended.

Other Fees

All residential students are required to pay a $50.00 room reservation fee annually to reserve a space in campus housing. This fee must be paid to guarantee campus housing. All students are strongly encouraged to pay this fee as early as possible because of the high demand for campus housing. Spaces fill up quickly, so don’t delay! This fee must be paid before a student is assigned a room. Students are entitled to a refund, if the request is made prior to July 24, 2015 for the fall semester; December 7, 2015 for the spring semester. No refund will be given after these dates. A $15.00 processing fee will be deducted from all room reservation refunds.

All students are required to pay a $10.00 Key Deposit.
