“Where Tomorrow’s Leaders Are Students Today”
It has now been over a year since the start of the COVID-19 pandemic, which has claimed millions of lives and changed the ways in which each of us relates to and navigates the world. It has required us to be nimble during these unprecedented times as we navigate uncharted territories. Some of the ways we have had to adjust include:

- moving all classes online in March of 2020;
- abruptly shutting down campus cafeteria operations, having to provide alternate meal options for students in the Fall of 2020; and
- ending the Fall 2020 semester early to reduce the spread of COVID-19 after increased travel by students, faculty, and staff during the holiday season.

COVID-19 will continue to impact all of us as we move forward with our daily lives, but we will not let it defeat us. Our goal is to ensure we put measures in place that will help reduce the risk and the spread of COVID-19 on campus and in the community.

As of July 25, 2021 the state of Mississippi has 336,788 total COVID-19 cases and 3,608 are newly diagnosed cases. The state of Mississippi is currently ranked 50th having the lowest percentage of the population having been fully vaccinated. We highly encourage returning students, faculty, and staff to get vaccinated prior to your return to campus. If you are unable to do so, vaccinations will be available at designated times upon your return to campus.

The campus will resume in-person operations, beginning with the Fall 2021 semester. The protocols laid out in this document will guide the reactivation and operations as students, faculty, and staff “Return Stronger” to the Citadel on the Hill. These protocols have been developed by the Campus Reactivation Team to ensure the health and safety of the entire Bearcat family and the surrounding community.

This plan is subject to change based on guidance and recommendations from the Mississippi State Department of Health and the Center for Disease Control (CDC). It is designed to reflect best practices and recommendations for higher education institutions from trusted health advisors. Please check back regularly for updates and we ask for your continued patience as we navigate through this pandemic.

President
RETURN TO CAMPUS

When will Rust College resume on-campus learning?
Rust College will resume on campus operations for the Fall 2021 semester.
- Freshmen check-in: August 13th – 15th between the hours of 9:00 a.m. and 6:00 p.m. CST.
- Upperclassmen check-in: August 19th between the hours of 9:00 a.m. and 6:00 p.m. CST.
- First day of classes is August 23, 2021.

If I am a new student, how do I register for Welcome Week?
Welcome Week for all new students begins Sunday, August 15, 2021. Registration is from 8:30 a.m. to 10:00 a.m. Please register by following the below link:
- Welcome Week Registration Form - Google Forms

How will students and visitors enter and exit campus?
Campus entry and exit will be limited to the main entrance gate at 150 Rust Avenue. This will be the only gate used to enter and exit campus until further notice.

Will Rust College offer student activities such as sporting events, social gatherings, and campus enrichment opportunities?
Yes, all campus activities will resume during the 2021-22 academic school year. We ask that students, faculty and staff continue to observe Rust College COVID-19 protocols and follow CDC social distancing recommendations.

CAMPUS HOUSING

How do I apply for housing for the Fall 2021 Semester?
You can apply for housing online by following the below link. All students staying on campus are required to complete this form prior to being issued room assignments and keys.
www.rustcollege.edu/student-housing-form/

Is there a housing deposit required to officially reserve a room in the residence hall?
Yes, the housing deposit is $50.00 and can be paid online by following the below link or you may contact the Cashier’s Office at 662.252.8000 ext. 4024.
- www.rustcollege.edu/online-payment/
How will I learn who my roommate will be during the 2021-22 academic school year?
Students who have been fully admitted to Rust College will be assigned a roommate the first week in August 2021. Students who have a valid email address on file will be sent an email notification. If you have a roommate preference, please contact Tanya Kelly-Kirk at tkelly-kirk@rustcollege.edu.

When will I learn my dorm assignment for the 2021-22 academic school year?
Students who have been fully admitted to Rust College will be assigned dormitories the first week in August 2021. Students who have a valid email address on file will be sent an email notification with their dorm assignments. If you do not receive this information via email, please contact Tanya Kelly-Kirk at tkelly-kirk@rustcollege.edu.

What items can I bring with me to the dormitory?
Rooms are cable and internet accessible. If your TV is not an HD/Smart TV, you can purchase a digital-analog converter box from a local retail store. Suggested items to bring to the residence hall include:

- Towels
- Storage Containers
- Laundry Detergent
- Curtains
- Sewing Kit
- Microwave
- Toiletries/Haircare products
- Desk/Study Supplies
- Rug
- Iron
- First Aid Kit
- Clothes Hamper
- Shower Caddy
- Linens (twin/TwinXL)
- Lock for Closet door
- Book bag/Tote
- Bedspread/Comforters
- Laundry Bag
- TV-HD/Smart
- Surge Protectors
- Hangers
- Reading Lamps
- Clothes Drying Rack
- Blankets
- Rain Gear/Umbrella
- Microwave/Fridge Combo
- COVID PPE: PPE (ex. Face masks, face shields, gloves)
- EPA Approved disinfectants (ex. Lysol, Clorox brand products)

What items are prohibited from bringing into the dormitory?
Electric skillets, hot plates, Fry Daddy, candles, incense, alcoholic beverages, empty alcoholic beverage containers for decoration.

Will visitors be allowed in the dormitories during the 2021-22 academic school year?
At this time the CDC has recommended limited contact with individuals from different households. As a result, non-students will not be allowed in residence halls until further notice.

**COVID-19 GUIDELINES**

Will masks be required on campus?
Based on recommendations from the CDC, continued masking and social distancing will be required on campus.
Will vaccinations be required for students, faculty and staff when they return to campus?

*In accordance with CDC guidelines, we strongly encourage all students, faculty and staff to be vaccinated before the Fall 2021 semester.*

- Vaccinations will be offered on campus Monday, August 16, 2021.

Will daily health screenings be required to mitigate the outbreak of COVID-19?

Yes. Students, faculty and staff will be asked to check-in/self screen daily using the DrOwl APP. To check-in/self screen from the DrOwl app:

- Open up the DrOwl app.
- Tap “check-in” on the homepage.
- Pick the check-in location, or search for the location name.
- Fill out the screening questions.

To sign-up for a DrOwl account, go to the iOS or Google Play stores and download DrOwl. Look for the DrOwl icon below. If you do not want to download the APP, follow the unique URL [https://checkin.drowl.com/checkin.jsp?facilityid=60f7531ca07cd453b5140bd&facilityname=Rust%20College](https://checkin.drowl.com/checkin.jsp?facilityid=60f7531ca07cd453b5140bd&facilityname=Rust%20College) and check-in/self screen using this link each day instead. You will need to fill out your contact information each time using this method.

Will students, faculty and staff be tested for COVID-19 on a regular basis?

Students, faculty and staff will be required to undergo weekly COVID testing. The test will be administered on campus at the Rust College Student Health Clinic. If your class schedule does not coincide with test dates, contact Nurse Jannie Luellen at 662-252-8000 ext. 4900 or by cellphone at 662-216-0988 or jluellen@rustcollege.edu. Testing will be scheduled based on student’s residential hall assignments. The schedule will be as follows:

- Wiff Hall - Mondays
- Gross Hall - Tuesdays
- E. L. Rust Hall - Wednesdays
- Davage-Smith Hall - Thursdays
- Emma Elzy Hall - Fridays

If students, faculty, and staff do not wish to be tested on campus, they must get tested by a physician or their local health department weekly to be on campus. Documentation of a negative test weekly must be provided to Nurse Jannie Luellen in the Rust College Student Health Clinic.

*Note: Rust College does not mandate the COVID-19 vaccine for anyone. The institution does strongly recommend individuals consult a healthcare provider for guidance on the Vaccination. If an individual receives both rounds of the COVID vaccination, they are exempt from weekly testing. If a faculty or staff member tests positive for COVID-19, please refer to the Rust College COVID-19 policy and guidelines for appropriate guidance on quarantine and contact Tanya Kelly-Kirk to begin the contact tracing process.*
If you are vaccinated, how do you show proof of vaccination?
- Vaccinated students will be required to show proof of vaccination during check-in prior to moving into the dormitories.
- All unvaccinated students will be required to take a COVID-19 test during check-in or show a negative test result within three days of arrival.
- Faculty and staff will be required to show proof of vaccination in the Student Health Department upon their return to campus.

If a student, faculty or staff member tests positive for COVID-19, how will the institution respond?
Faculty and Staff: In the event of a positive test result, faculty and staff will be asked to remain in quarantine off campus for a minimum of ten days.

Students: Students with a positive test result will have the option of going home or quarantining here on campus in the designated quarantine facility for a minimum of ten days.

What other protective equipment/processes will be provided on campus to help students, faculty and staff protect against COVID-19?
- EPA approved hand sanitizer stations will be strategically placed throughout campus as a second line of defense when hand washing for 20 seconds with soap and water is not available.
- To mitigate the risk of COVID-19 indoors, Modular Needlepoint Bipolar Air Purification Systems were installed in the following areas on campus:
  i. McMillan Gymnasium
  ii. Cafeteria and Dining Services
  iii. Brown Mass Communications Building
  iv. Hamilton Science Building
  v. McCarty Varnell Building
  vi. Emma Elzy Hall
  vii. Doxey Fine Arts Building
  viii. Leontyne Price Library

NOTE: Physical plant is currently working to install air purification systems in the remaining academic buildings and dormitories.

- High touch surfaces (doorknobs, desk surfaces, light switches, keyboards, computer mice) will be cleaned with an appropriate disinfectant daily. Cleaning wipes will be provided inside of classrooms so that faculty, students, and staff can perform additional cleanings as desired.

I am a student who was enrolled in a class scheduled for the Fall 2021 semester, and no longer see that class on my current schedule. What should I do?

All students are encouraged to consult with their advisors before registering for classes to ensure that they are not enrolling in courses out-of-sequence. During the summer of 2021, the institution began to upgrade campus technology for an improved student academic experience. As a result, we realize that some students previously registered for Fall classes but were unknowingly dropped from these courses without a forewarning. We apologize for the inconvenience, but it is our priority to ensure students are registered for classes that are in sequence with their curriculum map for on time graduation and to continue upgrading our campus technology. Please consult with your advisor to verify that you are re-enrolled in your courses.

How will social distancing be addressed for in-person classes?

Based on CDC guidelines, the institution will observe social distancing of 3 feet apart in classrooms.

If the state of Mississippi mandates a shutdown again, how will the institution respond?

Students will have the option of quarantining at home or remaining on campus and following the institution's on-campus quarantine guidelines. Classes will shift to remote learning until the quarantine ends. After the quarantine ends, the institution will resume in-person learning.

Campus Communications

How will students, faculty and staff receive updates about things happening on campus?

Ongoing communications will come from the College’s leadership and COVID-19 task force. Communications will be multi-platform to ensure timely, accurate and comprehensive means of information distribution. These platforms include:

- Rust College email
- Bearcat Updates – (Text: @HEYBEARCAT to 81010 to sign up)
- Blackboard
- Social Media (Facebook: @rcbearcats1866, Instagram: @rustcollege.bearcats1866, Twitter: @TheeRustCollege)

Information Technology

How can students, faculty, and staff obtain a Rust College email?

To receive campus communications, all students, faculty, and staff must obtain a Rust College email address. All new students will be assigned a Rust College email address and Blackboard login credentials during check-in. If you are a returning student, your information will remain the same as previous years.

Note: If you misplace your login credentials please contact helpdesk@rustcollege.edu or blackboard@rustcollege.edu.
