**Instructors will administer final examinations during the aforementioned times. Students who have more than two final exams scheduled on the same day may submit a request to the instructor-of-record to take their exam on another day within the approved examination period. Please note that instructors are not obligated to grant any requests unless a student is scheduled to take multiple examinations at the same time – a rare occurrence.

**T/TH times include all classes which meet each week beginning on Tuesday.

**Instructors should contact the Director of Registration and Records if their class period is not listed.
